WINE LIST

THE TICKLED TROUT LOVES WINE

We are committed to keep evolving as a restaurant and as a result we are always on the lookout for new and exciting wines to share with you. Old world or new world, young or old, established, or unusual – if it's delicious it's in our list!

We believe that wine should be an experience and we're delighted to be able to offer you some of our favourite fine wines by the glass through our state of the art Coravin system. Not sure what to try? No problem, we can recommend the perfect wine to go with each course on the menu. Whenever we taste a new wine for the list, we always try and match it to one of the current dishes on our menu; a pairing between food and wine can make the whole dining experience even better.

Our passion for wine is driven by our desire to travel and experience some of these regions and countries, which has enabled us to meet some great producers in person. So much so that I've even brought some of my favourite wines back from my travels to share with you, such as the **Marco Cuscito** sparkling wines from Italy and the stunning pair of still wines from **Grande Mayne** in Côtes de Duras.

In our recent wine list update, we introduced a few new wines that I think will blow your socks off. My personal favourites of the new wines are an Italian duo - the **Nunzio Ghiraldi Lugana** from the hills around Lake Garda in Italy and the **Buontalenti Toscana**, which is a baby Super-Tuscan with its blend of Sangiovese and Cabernet Sauvignon.

Sadly, there are going to be supply problems this year, which has also influenced some of our decisions. New Zealand Sauvignon Blanc is expected to be in short supply across the UK until the 2022 wines arrive, due to a combination of a poor harvest and the ability to sell wine at higher prices elsewhere in the world. Champagne is also expected to be more scarce this year, but we have a fine selection of bubbles on offer including two fantastic English wines.

Enjoy!

Chris

SPARKLING WINE

125ML BOTTLE

CHAPEL DOWN SPARKLING BACCHUS KENT, ENGLAND

£38.00

Bacchus is the Ancient Greek god of wine. He's lent his name to what is now England's star grape. It's taken Chapel Down, official supplier to 10 Downing Street and the Oxford & Cambridge Boat Races, 18 years to perfect the art. But it's finally arrived. It's a glorious streak of pineapple, grapefruit and elderflower that runs through arrow-precise bubbles.

APERICENA PROSECCO ITALY

£6.50 £27.00

Delicate and aromatic with fine bubbles. This wine carries lots of fresh peach, pear and an elegant zest.

LOUIS POMMERY SPARKLING BRUT HAMPSHIRE, ENGLAND

£62.00

After a race between all of Champagne's biggest names to get here first, Pommery is the first house to launch English fizz. They apply the same traditional method used in Champagne. It's crisp and concentrated, with notes of waxy lemon, Granny Smith, freshly baked bread and honeycomb.

RUINART BLANC DE BLANCS CHAMPAGNE, FRANCE

£110.00

Grand Cru Chardonnay has been used to make this Champagne. Citrus, peach and white flower aromas evolve into a fresh and supple palate, ideal when married with seafood.

RUINART ROSÉ CHAMPAGNE, FRANCE

£110.00

Ruinart Rose was first released in 1962. It is the blanc de blanc to which 15% Pinot has been added. Sublime golden pink in colour, a subtle nose of cherry and freshly-picked red berries leads to a fleshy and delightfully smooth finish.

MARCO CUSCITO

Small estate wine maker Marco Cuscito is a personal friend of ours who visits a few times a year and we are extremely fortunate to be able to have this amazing range of sparkling wines. In fact we are the only place in the UK to have it as we get direct from Marco. DOCG means it's the best quality, 100% Glera grape grown on the hillside is instrumental for him producing wine with hardly any sugar. Light floral notes with peach, apple, aromatic subtle effervescence giving them all a delicious clean finish.

OUR FAVOURITES

One of the perks of the job is that we get to try lots of different wine – we'll call it professional development if we must... It wouldn't be fair to keep this to ourselves, so we've re-tasted (just to make sure) and are now delighted to bring you our favourite wines.

LAUREN

Chateau Ste Michelle Cabernet Sauvignon

LAUREN B

Lion & The Lily Rosé

Bordeaux is usually known for its big reds, but they can also make delicious rosé wines from the red grapes. I love this because it has a big more of those juicy red fruit flavours than a classic Provence rosé, but still retains that crisp elegance that you'd hope for.

CIDER

Somerset is apple country, with the perfect soil and climate for growing apples and making cyder. It has been going on here for centuries. Head out to the small farmlands of Somerset and you'll spot ancient orchards still dotted about; clumps of mistletoe in the canopy, sheep grazing under the dappled shade of laden trees. Old barns still with the farmer's cyder press within, some still making cyder today. At The Newt, they celebrate every aspect of their county's signature crop; from the sapling to the tree, the fruit, its juice and the final stage: cyder.

Around the time Hadspen House was built, the finest quality cyders were preferred to Champagne by sniffy Somerset gentry who knew their tippie. People in our apple-growing regions consumed over a pint a day; at the time, this mildly alcoholic drink was safer than water. Everyone, including children, drank it – even at breakfast! Records show that the secondary fermentation process being used at this time - in glass bottles, sealed with corks - came well before French monk Dom Pierre Pérignon supposedly invented Champagne.

THE NEWT FINE WHITE CIDER 8.1% (BOTTLE)

£29.95

Made with specially selected dessert apples using precise wine-making techniques and slowly cold fermented in their cellar. The result is a super-fresh elegant, still cyder; you can expect ripe pear, melon and almond on the nose, with a crisp taste of apple and lemon.

THE NEWT ICE CIDER 8.2% (375ML BOTTLE)

£35.00

It's cyder, but not as you know it. Just in from Greg and the team in the Cyder Cellar is a rich and super sweet Ice Cyder, perfect with pudding or a wedge of Westcombe cheddar. It's comparable to a fine dessert wine, with a lovely fresh note of citrus on the nose and palate.

Originating from Canada, Ice Cyder is made by pressing apples while they are still frozen. The water from the apples turns to ice and is separated, leaving only the intense, syrup-like juice behind.

Having been inspired by this technique, the team have recreated the same freezing conditions on the estate by storing their freshly pressed apple juice at -25°C for a minimum of five weeks. The sweet, naturally concentrated syrup is then cold fermented in their cellar and aged in steel tanks for a further six months, before it's bottled and ready to drink.

THE NEWT WINSTON 2018 (568ML BOTTLE)

£55.00

"An imperial pint is an ideal size for a man like me. It's enough for two at lunch and one at dinner. It pleases everyone, even the producer", – so says the distinguished British Prime Minister who inspired The Winston, the first sparkling cyder in the world to be bottled as an imperial pint. The apples that went into the making of this special sip were picked and pressed in 2018, before being fermented in our cellar by Head Cyder Maker Paul Ross, and laid down in bottle for two years. The result? A vibrant cyder with a pale straw colour and fine mousse. Candy, brioche and custard apple on the nose, with lychee, mango and crisp apple to taste.

THE NEWT APPLE GIN 40%

This small-batch apple gin distilled in Somerset makes for a refreshing garden drink. It's crafted with apple juice straight from the press and flavoured with botanicals from their gardens.

Pairs perfectly with our Rosemary & Mint Tonic for a refreshing, herbaceous drink with natural flavours of rosemary, mint and yuzu. and good length.
